The Property Owners Association is not required to enter a payment plan with an owner who failed to honor the terms of a previous payment plan during the two years following the owner's default under the previous payment plan. The Property Owners Association is not required to make a payment plan available to an owner after the 30-day period for cure described by Texas Property Code, Section 209.0064(b)(3) expires. The Property Owners Association is not required to allow an owner to enter a payment plan more than once in any 12-month period.

Administrative Fee: $30.00 each month during the term of the payment plan

Annual Interest Rate: 6%

The Property Owners Association establishes these guidelines to allow owners who are delinquent in payment of a debt to the Property Owners Association to pay the debt in partial payments to avoid monetary penalties. However, delinquency in payment of a debt will result in nonmonetary penalties, such as loss of privileges.

Payments under a payment plan will incur the Administrative Fee and interest at the Annual Interest Rate.

To be entitled to pay a debt under a payment plan, an owner who is delinquent on a debt must submit a written request to the Property Owners Association.

Owners can make no more than one request for a payment plan within a twelve-month period. The Property Owners Association is not required to enter into a payment plan agreement with an owner who failed to honor the terms of a previous payment plan agreement during the two years following the owner's default under the previous payment plan agreement.
